There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

DESIGNING COSTUMES TO BE WORN AT METHODIST CENTENARY CELEBRATION

DESIGNS for thousands of costumes to be used in the pageants and life plays of the Methodist Centenary Celebration at Columbus, O., June 20 to July 13, are being prepared by Livingston Platt, the noted costume and scenic designer of New York, who has taken the big job of costuming appropriately all participants in the big exposition. Mr. Platt's designs range from the garb of the ancient Babylonians and their Jewish captives, worn in the first episode of the big pageant, "The Wayfarer," to the more modern dress of Belgian

refugees in the war front scene. Seventy thousand yards of material have been ordered for the costumes used in the Centenary Celebration which marks in a spectacular and impressive manner the one hundredth anniversary of the founding of the Methodist missions.

Mr. Platt has made research work for weeks through authentic pictorial records of costumes, ancient and modern. In addition to the costumes of Biblical times, he has lined plates plates of Japanese, Chinese and Hindoo garb.

Musical Authority Places Stamp of Approval on Centenary Trombone Choir of M. E. Celebration

A WONDERFUL organization of 100 trombone players, to be heard in concerts of sacred, semi-sacred and patriotic numbers, is to be one of the outstanding features of the Methodist Centenary Celebration at Columbus, O., June 20 to July 13. At first this unusual musical organization was not taken seriously by musical authorities. Investigation, however, stilled all criticisms and turned doubt into enthusiasm. The picture shows Dr. Edgar Stillman Kelley of Western College for Women, Oxford, O., composer of "New England Symphony," "Pilgrim's Progress" and other orchestral compositions of world fame, congratulating Frank M. Sutphen, director of the trombone choir on his great success. Dr. Kelly at once arranged to furnish some special scores for the trombone choir. On the left of Mr. Kelley is Hermann Bellstedt of Cincinnati, a bandmaster of national reputation, who was also amazed at the work of the trombone choir. "Not trombone spoken so wonderfully," he says. Between Mr. Bellstedt and Mr. Sutphen stands H. B. Dickson, organizing secretary of the Centenary Celebration, who is the father of the trombone choir idea and who had faith in it, before the musicians themselves.

THE MOST DANGEROUS DISEASE

No organs of the human body are so important to health and long life as the kidneys. When they slow up and commence to lag in their duties, look out! Find out what the trouble is—without delay. Whenever you feel nervous, weak, dizzy, suffer from sleeplessness, or have pains in the back—wake up at once. Your kidneys need help. These are signs to warn you that your kidneys are not performing their functions properly. They are only half doing their work and are allowing impurities to accumulate and be converted into uric acid and other poisons, which are causing you distress and will destroy you unless they are driven from your system.

Reflections on Thrift Well Worth Pondering Over

Life's Balance Sheet

Statistics show that out of each 100 young men twenty-five years old, fifty-four will be dependent upon friends, relatives or charity at sixty-five years of age. Of the 100: 54 will be dependent. 36 will have died. 5 will be supporting themselves by work. 4 will be wealthy. 1 will be rich.

Nature is our greatest teacher, and experience a close second. If we can't learn from these two masters we must pay a dear price for our stupidity.

That nine out of every ten people earn more than they need, but only one in twenty saves—a sad commentary on the intelligence of civilized mankind.
